Let's Make a Roller Ball!

From your Big Bonus Box, grab a roller bottle and the coconut oil - or order a carrier oil of your choice for 10% off. Then pick your favorite diffuser blend from the calendar. Put the blend in the roller bottle instead of the diffuser top with coconut oil, snap on the cap until it clicks - Done! You now have your favorite blend on the go! If you have questions on the dilution rate, check Module 4 of the Essential Oil Hero Course for a free PDF dilution chart!
