- ☐ 🗂️ Flip through your recipe cards—what boutique swap are you most excited to try?
- ☐ 🏷️ Find your sticker sheet and set it aside—you'll label your creations as you go!

🌟 **Reminder: You don't need to make everything at once. One recipe is a win.**

STEP 2: SMELL THE POSSIBILITIES

Take a moment to explore the essential oils in your box. Smell or diffuse each one and check it off:

- ☐ Lavender (Bulgarian) Essential Oil — Rich, deeply floral, and herbaceous; a timeless powerhouse for soothing your skin and calming your mind.
- ☐ Ylang Ylang Essential Oil — Sweet, exotic, and intensely floral; the ultimate heavy lifter for bringing a luxury "spa-at-home" aroma to life.
- ☐ Cedarwood (Atlas) Essential Oil — Warm, woody, and grounding; provides a beautiful earthy base that anchors your summer blends.
- ☐ Happy Joy Essential Oil Blend — A bright, citrusy, and sunny synergy that acts as an instant refreshing breath of fresh air.

🌟 Pick a favorite to diffuse while you make your recipes!

Safety Notes:

- Pregnant, nursing, on medication, or sharing with kids/pets? Check each recipe card before you start.
- These recipes go on your skin — patch test if you're sensitive.
- Lavender, Ylang Ylang, Orange, and Happy Joy are gentle favorites, but more is not better. Stick to the recipe amounts.
